

FIRE ESCAPE INSPECTION

DAY/DATE: _____

TIME: _____

Attention Residents / Tenants:

Escape Artists will be performing an annual inspection of the building fire escape systems. They will not enter any units, but they will travel across the fire escapes from the roof to the lowest platform, and perform maintenance and testing on the drop ladders.

Please keep the fire escape platforms and ladder ways clear at all times!

It is the law in San Francisco!

Thank you for your cooperation!

**PLEASE REMOVE ALL FIRE
ESCAPE OBSTRUCTIONS
PRIOR TO THIS DATE!**
